

Wish it could be Christmas every day?

*This year it
can be!*

Christmas is a wonderful time of year which allows everyone to come together but this year will, of course, be slightly different. While we will not witness the joy of a packed church at Midnight Mass, we can still embrace this joyful season thanks to the Octave of Christmas, which affords us over a week of celebrating!

Each day during the Christmas Octave is celebrated as if it were Christmas Day itself. This means that, liturgically, each of the days from 25th December to the 1st January is 'Christmas Day'. So, it can be Christmas every day!

We look forward to celebrating the joy of Jesus's birth with you and all those you love.
